Minutes and statements from Friends Meetings and organizations

The formulation of minutes and queries is a cherished Friends’ practice, leading us to spiritual growth and clarity. Many Friends’ Meetings and organizations have prepared statements about their concern for the Earth. We offer a sampling of minutes from Yearly Meetings here for reflection and action.

If your meeting or church has not yet expressed their caring for creation corporately, you are encouraged to urge them to do so. If you have updated and approved minutes, you can send them to us and we’ll happily post them in this section of our website as an encouragement to Friends everywhere.
