Books and Websites for Pollinator Gardens and Larger Native Plantings

By Jim Kessler

Holm H. 2014. Pollinators of Native Plants: Attract, Observe and Identify Pollinators and Beneficial Insects with Native Plants. Minnetonka, MN: Pollination Press LLC

Plant.Grow.Fly. Blank Park Zoo. http://www.blankparkzoo.com/en/conservation/plant_grow_fly/. This is a project of the Blank Park Zoo and many other organizations and educational institutions to increase pollinator habitat and to reverse the rapid decline of pollinator populations.

Selecting Plants for Pollinators. Pollinator Partnership. http://pollinator.org/guides.htm Type in your zip code to link to an excellent 24 page PDF native plant guide for pollinator gardens and native habitat plantings for your ecoregion. There are guides for most specific ecoregions in the United
States.

Prairie Moon Nursery. 2014.  https://www.prairiemoon.com/ Prairie Moon Nursery Catalog and Cultural Guide. Order this catalog. It is the best source for detailed information about native plants and how to grow them. They have many species that can not be found elsewhere.

Friendly Landscapes for Birds, Soil Organisms, Pollinators, and People [1]
Birds, Plants, and Insects: What They Need [2]
Shrinking or Transforming Your Lawn [3]
Introduction to Permaculture [4]
Ecological Principles of Permaculture [5]
Planning a Permaculture Garden [6]
Practical Permaculture Methods: Start Today! [7]
Important Reasons to Use Native Plants [8]
Choosing Native Plants for Pollinators in Your Area [9]
Planning, Planting, and Managing Your Butterfly and Pollinator Garden [10]
