WHAT WE DO

» Inform our network about environmental concerns and Friends’ witness through print and online publications and inter-visitation,
» Advocate for environmental justice and a right relationship with Earth by working in coalitions with allied groups and organizations,
» Lift up our Quaker voice to support indigenous rights and environmental justice, and
» Fund sustainability projects throughout the world.

JOIN US

Volunteers lead QEW. Join our network and become part of a supportive, informative, and inspirational group of Friends.

» Share your Earthcare ministry with our group,
» Become a QEW representative for your Yearly Meeting,
» Start an Earthcare group at your Meeting,
» Read and share our newsletter and other publications,
» Use our Earthcare for Children curriculum in your First Day School, and
» Apply for a Mini-Grant to support a local project.
